WELCOME

Mid-Hudson Love INC is a local non-profit organization that nurtures and empowers individuals facing challenges related to poverty and social isolation. We build relationships with our neighbors, restoring hope and transforming lives in the process.

Love INC draws local churches and individuals together to pool resources, reduce duplication of services, and maximize community impact. Together we offer free delivery of donated items like towels, linens, toiletries, furniture, and beds. We also offer a series of classes designed to build community, skills, and resiliency. Love INC trains volunteers to work one-on-one with neighbors on the phone, in small groups, and through individual life coaching, providing encouragement and holistic life development.

Love INC is hosting our Fifteenth Annual Benefit SCRABBLE® Blitz Tournament, one of our major annual fund-raising events. **Would you partner with us?** Your support and the support of the whole community are essential as we continue to serve those in need.
